Deandra

Hi! Finally made it to high school. (Sophomores) Be good and don't be so sorry. Quit your bad habits (you know what I mean) and straighten up and try to be somebody. Your really a sweet kid and one of my favorite friends. You did the right thing when you started going with Randy. It's good for you. I can hardly wait until wrestling season starts and we'll get to go to all the matches. Randy will do good again this year only he'll go all the way. Thats about it except I think you'll make a good cheerleader because you work so hard at it. Your a neat friend.

Peace Theresa

Superintendent

We should thank Mrs. Nita Patterson, the Yearbook Sponsor, and the annual staff for this fine pictorial record of the school year of 1971-72.

It takes the record of the past along with the challenges of the future to set our goals for happines and a full life.

It is our hope to provide each of you those opportunities to best fit you into our democratic society. Education is the link between the individual and the future.

May your problems be few and all of your dreams of the future come true.

Sincerely,

Kenneth T. Pharr

School Board

George Sphar, Jr., Eldon Petersen, Secretary; Nelson Olinger, Kenneth King, President; Kenneth Pharr, Superintendent; Vernon Henn, Phil Reder, Vice-President; Milford Boucher.

Clerk of the Board

To the graduating senior of 1972, I wish especially well. As this is my fourth year of employment in USD #205, we were "freshmen" together. Although I'm not in contact with the students on a daily basis, I have knowledge of what's going on by the bills I pay.

As clerk of the board, I'm responsible for the accounting of the district and for keeping accurate records of the business of the USD # 205 Board of Education.

I enjoy my work and hope that you too, will be able to say that one day, as I feel it's very important to have a vocation you like.

Sincerely,

Mrs. Lynda Gardner

Principal

Congratulations to the Seniors who have achieved one of their many goals in life. Education can be a lifelong source of satisfaction. All through life the educated person will have the pleasure that comes from being able to understand and appreciate the creative achievements of others.

Sincerely,

This year the vocal music department has tried to extend their performance into the community in addition to performances of the choir at school programs. In November on the traditional Veterans day the Mixed Chorus presented a program of serious patriotic music entitled "All American Salute". This same program has been presented at Leon, Latham, and Haverhill Grade Schools, and at Rose Hill and Udall High Schools. In addition to the Christmas Program and Spring Musicale, the combined choruses helped in presenting a Holy Week Service at the Leon Methodist Church.

Deandra,
It's been alot of fun
during the past 2 years. Especially
at those groovy Seachmen games.
Stay the same. You're great.
Love,
Renie
